PIPELINE DE TRABALHO RECOMENDADO

Opção A — Fast iteration (1-2h, custo zero)

1. Use Nano-banana (Google AI Studio) — grátis, ilimitado
2. Cole cada prompt, gera 4 variações, escolha melhor
3. Save todas em
/Users/brunosilva/Downloads/heritage_signal_deploy/miami-ia/img/
4. Substitua URLs do Unsplash no index.html pelos paths locais
5. Push pra Vercel

Opção B — Premium quality (1-2h, ~\$30)

1. Use Midjourney v6 (Discord) — \$10/mês plano básico
2. Adicione parâmetros: --ar 16:9 --style raw --v 6
3. Use /upscale na melhor variação
4. Download em 2048px+
5. Otimize com tinypng.com (reduz 70% tamanho sem perder qualidade)
6. Substitua URLs

Opção C — Híbrido (recomendado)

1. Hero + Region cards (alta exposição): Midjourney v6 (\$)
 2. Lifestyle cards + section accents: Nano-banana (grátis)
 3. Background blurry/abstrato: Nano-banana
 4. Mix custo + qualidade
-

CHECKLIST DE OTIMIZAÇÃO PRÉ-DEPLOY

Antes de subir as imagens:

- ☐ Comprimi todas via TinyPNG ou Squoosh
 - ☐ Convertidas pra WebP (50% menor que JPG mesma qualidade)
 - ☐ Hero está abaixo de 200KB
 - ☐ Cards estão abaixo de 80KB cada
 - ☐ Alt text descritivo em cada (acessibilidade)
 - ☐ Lazy loading nas imagens abaixo da dobra (loading="lazy")
 - ☐ CDN configurado (Vercel já cuida disso automaticamente)
-

ADAPTAÇÕES PRO ANDRÉ (se quiser personalizar)

Se quiser imagens com elementos brasileiros específicos:

Brazilian touch nos prompts

Adicionar ao final de qualquer prompt: - “Brazilian elite vibe” - “Suggesting Brazilian family presence” - “Brazilian flag detail in background subtly” - “Caps from Faria Lima firms in background”

Avatar do André pro site

Pra colocar foto profissional do André na seção concierge:

Professional headshot of Brazilian male realtor in his 40s, wearing dark polo shirt, confident smile, modern Miami office background slightly blurred, warm professional lighting, editorial business portrait --ar 1:1 --style raw --v 6

OU usar a foto que André já tem (preferível por autenticidade).

RESULTADO ESPERADO

Aplicando os 18 prompts: - Site visualmente 5-8x mais premium que stock Unsplash atual - Cada imagem reforça especificamente a tese da seção - Coerência visual total (paleta champagne + golden hour consistente) - Carregamento rápido (WebP + lazy load + Vercel CDN) - Custo total: \$0 (Nano-banana) a \$30 (Midjourney) por todo o set

A diferença entre o site atual e o site com imagens custom é a diferença entre “MVP funcional” e “deploy de empresa premium com 50 funcionários”.
